# THE BEST TOOL IN YOUR HR TOOLKIT

## STRAIGHTFORWARD COMPLIANCE

How did you find out about the latest regulatory change affecting your organization? If your process involved searching online for the most up-to-date regulation, we should talk. HR Hero® takes the guesswork out of HR regulatory compliance. Gain peace of mind with HR Hero's compliance solutions and never have to search for a new regulation online again.

### Top features:

- State Law Chart Builder
- Federal & State Topic Analysis
- FLSA Audit Tool
- HR Hotline

## STREAMLINE MANUAL PROCESSES

Are you overloaded with tasks and short on time? What if we told you HR Hero® can automate your manual processes, giving you more time to focus on strategic projects that will move the needle in your organization? Let the experts at HR Hero do the heavy lifting for you.

### Top features:

- Employee Handbook Builder
- Job Description Manager
- Salary Finder

## ON-DEMAND HR RESOURCES:

Whether you're looking for a recent regulatory change, need to tweak a compensation policy, or have sexual harassment training to prepare for, HR Hero® has you covered. Our team of HR subject matter experts have done the regulatory research and prep work for you.

### Top features:

- Training Modules
- Timesaving Resources
- Actionable News

**Not having to hire one full-time HR generalist to do some of the work that HR Hero now does for us is remarkable."**

— Christian T. Rogers, MHR,  
Director of HR, WinnaVegas Casino
